

A brief summary of the 1st OU summer camp

Dear all:

The time flies so fast that our three weeks' summer camp in OU will come to the end. Our teachers and students from Shandong University are really enjoying it very much and even some of them would like to stay here longer. The first summer camp is absolutely organized perfectly as everyone in OU has made great contributions to it. Here, on behalf of all the teachers and students, I should sincerely express our best gratitudes to all of the organizing members, including Dr. Zaman, Dr. Chen, Dr. Siddique, Sonya, Kelsey, Ian, Jackson, Paul, and maybe someone else I apologize not to mention here.

From this summer camp, our teachers and students have sufficiently experienced the totally different American cultures, teaching methods, and especially the warm hospitality of everyone here in Norman. Before we leave, I have asked every student to leave a word and a picture to our organizing members. I believe that they would never forget the wonderful time they spent in OU.

Thanks so much again.

See you in the next year.

Best,

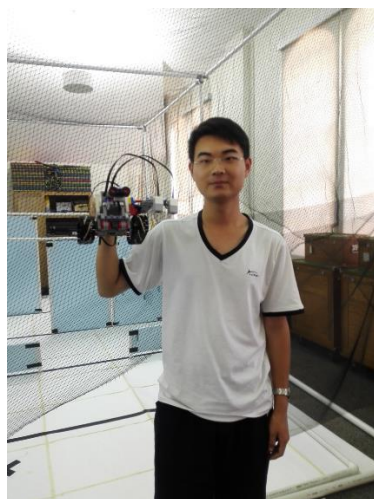

Yong

A word and a picture provided by the students:
